

# POWERCO™ CANADA INC.

## Electrical Manufacturer's Representatives

### Surge Protection Devices

12 VDC to 600 V AC  
Series LC & Parallel Type  
Integrated & Stand-alone

### Power Conditioning & Regulation

Voltage Regulating Line Filters  
Solid State Tap Switching  
LV & MV Sag Correction

### Power Factor Correction

208V to 25 kV  
Fixed & Automatic Banks  
Tuned and De-tuned

### Harmonic Filtering Solutions

Active & Passive Harmonic Filters  
Low and Medium Voltage  
Drive Filters (DVDT/Reactors / RFI)

### Load Bank Solutions

AC/DC, Resistive and Inductive  
Stationary, Portable and Trailer Mounted

### AC/DC (UPS) Power Systems

Industrial & Commercial UPS to 500kVA  
DC Power Plants / Battery Chargers /  
NERC Tools, Racks and Enclosures

### Electrical Enclosures

Custom and Standard Quick-ship Units  
NEMA 1 to 13 & IP Ratings  
Distribution / Splitters / Safety Disconnect  
Steel / Fiberglass / Polyester

### Automatic Transfer Switches & Parallel Switchgear

30 to 5,000A ATS  
Automatic, Non-Automatic & Manual  
Low Voltage Paralleling Switchgear

### Metering & Energy Management

Power & Power Quality Meters  
Facility to Enterprise Wide Solutions

### Ground Fault Monitoring NGR's and Control Relays

Current, Voltage, Time Delay and Temperature  
For all applications including intrinsically safe

### Drive Braking Solutions

Dynamic Braking, Drive Ride-through system

### Transformers – Dry Type

3kVA to 4000kVA  
Distribution / Harmonic Mitigating / Power Type

### Cable Bus Systems

Complete Custom Design  
CSA Certified 208V to 35,000V

### Fiberglass Resin Epoxy Conduit

Above Below Ground and Underwater  
Conduit Ducting and Inter-duct

### Power Quality Services

Power Factor Site Surveys / Billing  
Analysis / Harmonic Modelling / IEEE 519  
Compliance / Power Quality Auditing

Serving: British Columbia, Alberta, Saskatchewan, Manitoba & NW Ontario, Yukon and NWT

**"THE POWER IN YOUR BUSINESS IS OUR BUSINESS"**

## Partner Products & Services

### Eaton Industrial Electric

- Surge Protection Devices
- Power Factor Correction Systems
- Active Harmonic Filtering
- Power Metering & Protective Relays
- Automatic Transfer Switches and Paralleling Switchgear

### MTE Corp

- Passive Harmonic Filters
- Line / Load Reactors / Chokes
- Motor Protection DV/DT Filters & Sine Wave Filters

### BEMAG / Jefferson Transformers

- Dry Type Distribution and HMT Transformers
- High Efficiency & Power Transformers

### La Marche Manufacturing

- Battery Chargers, Inverters, DC Power Plants
- Industrial UPS

### Power Busway

- Cable Bus Design and Solutions
- 208V to 35,000kV
- Made in Canada

### Bonitron

- Dynamic Braking Solutions
- Drive Power Ride-Through Systems
- Capacitor Formers

### Bender Inc.

- Ground Fault Relays and NGR's
- Grounded and Ungrounded Protection Schemes

### EXM Enclosures

- Custom and Shelf Electrical Enclosures
- Commercial, Wall Mount, Free Standing & Consoles
- Made in Canada

### Load Banks Direct

- Resistive and Inductive Load Banks
- AC and DC Systems

### FRE Composites

- Fibreglass Resin Epoxy Conduit
